Report of Principal and School Improvement Council

Gold Hill Elementary School (GHES) is a K-5 school serving about 850 students. Due to the rapid growth we are experiencing, GHES has continued to have an enrollment freeze for this school year. The mission of GHES is to be a learning-centered school committed to academic success for all students, maximizing their potential as lifelong learners and enabling them to become contributing members of society.

Goals and Objectives for 2009-2010:

Using the Fort Mill School District Strategic Plan and the GHES School Improvement Plan, our School Improvement Council, PTA, faculty, and staff worked together to establish goals for improvement for this school year. Helping every student achieve the level of proficient on our state's Palmetto Assessment of State Standards (PASS), expanding the use of technology, incorporating the use of Thinking Maps, and utilizing data to make instructional decisions were just a few of our goals for the year.

Accomplishments for 2009-2010:

GHES is fully accredited by the Southern Association of Colleges and Schools (SACS) and maintains an "All Clear" status from the State Department of Education. For the ninth year in a row, the school earned the Palmetto Gold Award. This award program recognizes schools with the highest levels of student academic achievement and the fastest rates of improvement. GHES continued its status as a Red Carpet School recognized by the S. C. State Department of Education. Students demonstrated service learning through such projects as sponsoring the collection of canned food for the Fort Mill Care Center, sending postcards to soldiers, helping with relief for Haiti, and collecting materials and supplies for the York County Humane Society. Special programs and initiatives such as the Health and Fitness Club, the Hands to Haiti Club, the Random Acts of Kindness Club, the Storytelling Club, Accelerated Reader, Math Superstars, and the Academically Gifted Program give students academic support in advancing their skills. The Measures of Academic Progress (MAP) testing program is providing valuable information about the learning strengths and needs of our students. Compass Odyssey, a curriculum support and enrichment program which utilizes computers, helps to differentiate instruction and provide intervention, extension, and support for our students. Our tireless PTA raised funds to purchase a new sound system for our gym and cafeteria, purchased birthday books for students as well as books for classroom libraries; bought student agendas; helped purchase Math Out of the Box, Leveled Literacy Intervention materials; and funded numerous teacher requests for supplies and materials.

Plans for the Future:

We will continue to assess our strengths and weaknesses as part of our self-study for school improvement and SACS accreditation. The school will continue to set new goals for improved student performance and will continue to focus attention on teacher quality, parent involvement, safety, technology advancements, health and wellness, and character education. We look forward to many successes as we continue to fulfill the mission of GHES.

Terry Brewer, Principal, and Laura Lewis, School Improvement Council Chairperson
